

RDC Important Documents & Family Readiness Workbook

A family organization guide for knowing what exists, where it is, who has access, and what still needs professional attention.

This is not legal advice. RDC does not determine legal capacity or tell families which legal documents they should sign. Use this workbook to organize questions and locate documents.

1 | PERSONAL & IDENTITY RECORDS

Check	Item	Notes / status
☐	Birth certificate / vital records	
☐	Social Security card or secure record of SSN location	
☐	Driver license / state ID / passport

4 | WHERE ARE THE ORIGINALS?

Primary document storage location	
Safe / lockbox access instructions stored at	
Lawyer / firm contact	
Trusted person with copies	
Digital backup location	
Date last reviewed	

5 | FAMILY READINESS QUESTIONS

Check	Item	Notes / status
☐	Does the older adult know whom they want involved if they cannot speak for themselves?	
☐	Does the named person know they were chosen?	
☐	Do family members know where the documents are?	
☐	Are names, addresses, phone numbers, and relationships still current?	
☐	Do the documents reflect the person's current wishes?	
☐	Have major life changes occurred since the documents were last reviewed?	
☐	Is there disagreement in the family about who is responsible for what?	
☐	Would a qualified Utah attorney need to review or update anything?	

6 | QUESTIONS FOR A QUALIFIED PROFESSIONAL

Question	Who to ask	Answer / next step

Store sensitive records securely. Avoid leaving full account numbers, Social Security numbers, PINs, passwords, or other identity information in an unsecured printed workbook.
